### **LOOKING BACK**

#### **COMBINED TRAINING at FELBRIDGE on 2<sup>nd</sup> APRIL**

It was 2019 when we last ran this Area 10 event. Lindsey Bootes & Emma Fayers again headed the organisation of the event and ran it on the day with their usual efficiency.

It takes a big team of FDRC helpers to run this event as well as the requisite one helper per team per day that the competing clubs have to supply. So many many thanks to the FDRC Team of Sue Saunders, Linda Powell, Anne Ball, Lynn Uphill, Chrissy Sutton, David Powell & Robert Holroyd, Steve Bootes, Brian Fayers, Tony & Heather Stubbs and Clare Gibson.

There were 13 teams entered including our own team who came 4<sup>th</sup> overall.

The FDRC team was made up of :

Shannon Lunt (4<sup>th</sup> in class), Kim Leney (1<sup>st</sup> in class),  
Emma Handebeaux (4<sup>th</sup> in class) Wendy Neath (10<sup>th</sup> in class)  
plus two individual riders:

Liz Roberts who rode in two classes ( 2<sup>nd</sup> in each class)

Matilda Taylor, our only junior representative (2<sup>nd</sup> in class)

Three of our riders: Kim, Liz (2 classes) and Matilda qualified for the BRC Championships at Ashton-le-Walls on 20<sup>th</sup> May 2022 as individuals. Kim was the only rider of the three riders available to take up the place and go to the Championship.

So again many thanks to all our riders & helpers who represented the FDRC & flew the flag for the club with such distinction.

#### **REPORT FROM KIM LENY ON HER TRIP TO THE COMBINED CHAMPIONSHIPS on 21<sup>st</sup> May 22**

Arriving on the Friday evening after the obligatory M25 traffic hold-ups, we had to get our bearings and allow flash to stretch his legs. A large marquee had been set up to welcome us, passports checked, finalist medal awarded and Stable allocated. We settled flash in for the evening, leaving time for me to walk the show jumping course which although up to height didn't seem too scary.

The morning of the competition arrived, an early start as our dressage time was shortly after 9 am. Fed, groomed and plaited Flash looked very smart and was certainly on his toes! Arriving at the dressage warmup where a friendly bunch of volunteers checked our tack and off we went to warm up Flack seemed quite responsive and settled so once warmed up we were called to our dressage arena I felt okay although flash had other ideas.

On the second canter it became too much and he bucked landing disunited leaving me no option but to transition back to trot and restart my canter. He quickly settled and we continued without further drama.

With the show jumping shortly afterwards we made our way to the SJ warm up after popping a cross Pole and an upright we were called with the arena Steward wishing me luck and off we went. Flash loves jumping and as long as we are in agreement that we both actually believe it is a good idea he will jump anything, he flew around the course and gave me a super round I was thrilled!

Back at the stable block the BHS had set up an equivalent to Weight Watchers with varying forms of Equine taking their turn and being fat scored and weighed (anyone's equivalent of hell) this involves checking neck shoulders barrel & rump! I lined up and once it was our turn we were surprisingly complimented and awarded a rare red 'in great shape rosette' which we proudly showed off around the stable block.

We had a great time at the combined training Championships so thank you very much FDRC!

**MEMBERS ONLY SOCIAL RIDE FROM SYNDALE FARM, OSPRINGE on 13<sup>th</sup> MARCH**

Another successful social ride completed.

There were 5 of riders on this lovely ride hosted & led by Vicky Clinch.

Susan Pattwell, Lynnette Marsh, Anne Adams & myself, Sally King

On arrival we were welcomed by our host, Vicky, with mugs of coffee all round. Vicky, took us on a lovely route mainly over farmland with some stretches of bridle ways and lanes.

We had some good trot sections and several nice canters.

Setting off at 10.30 we returned around 12.00 for more coffee and this time with cake and biscuits.

Susan and her horse Dave hacked to the ride and so Dave joined us for coffee for some social down time before his hack home. My horse Molly was the odd one out being the only horse that was not grey!

### **MEMBERS ONLY SOCIAL RIDE FROM CADMANS FARM, THROWLEY on 24<sup>th</sup> April**

Five riders took part after one withdrawal, The weather was good and it was leisurely ride with lots of chatting while riding through lovely East Kent countryside.

There was just one slight detour and an encounter with a rally cross event going across the bridleway where, all credit to the bikers they stopped and waited for the ride to pass and the horses behaved impeccably. When we returned to Cadmans Farm Gillian produced a delicious raspberry sponge cake for us to share.

Thank you to Alastair Palmer who allowed us to park at Cadmans Farm

Here are Lynnette Marsh, Gillian Ransome, Jean Ashford, Veronica Crouch & Fiona Walker ready to set off..

### **BLUEBELL DOG WALK in KINGS WOOD, CHALLOCK on MAY 7<sup>th</sup>**

We chose the right weekend for seeing the bluebells at their best but maybe the wrong one for members to be available to come along. We moved the date from the May 1<sup>st</sup> to the 7<sup>th</sup> so it did not clash with the Chilham Event but did not take into consideration how many people who wanted to join in were going to Badminton!! Another week though and the bluebells would definitely have been past their best.

Nevertheless, three of us Veronica Crouch, Gillian Ransome & myself, Sally King and two dogs Charlie & Loki enjoyed the lovely route round Kings wood. We set off at 4.30 taking 75 minutes to complete the circuit.

Thanks must go to Veronica for leading the walk. We were chatting so much we missed a few turnings and had to back-track a couple of times. Afterwards we retired to the Halfway House for liquid refreshment and a delicious pizza

### **A NEW WEEKDAY ACTIVITY - A MUSICAL QUADRILLE FROM SCRATCH with Wendy Neath**

*Details of this were sent round but due to lameness & injury among those interested there were not enough to go ahead with the original date of May 12<sup>th</sup> If there is still enough interest we will be sending out a new date.*

I have run lots of these for Maidstone RC and my old yard, and the idea is to put together a simple routine, and then try it out. We will practice a few patterns, then put together a routine which hopefully someone will video for us. If it goes well we can do another, maybe an evening one for a Jubilee theme.

**HORSES:** All you need is a horse which is happy in company [not nappy or inclined to kick] with steering, accelerator and brakes. Not necessarily a 'Dressage Horse' ! If everyone is happy we might incl canter but not necessarily. All you need is a horse which will work with others, has steering, and brakes!

**TACK:** - whatever you are happy with. Plain saddlecloths. White would be good?

**RIDERS :** Navy / dark blue tops, and light breeches [ white / beige / light grey] If we do a display we can fine tune this. NO long whips [ they can upset other horses]

The venue would be Saddlesdane at 11am on a weekday

Cost to be decided but in the region of £20.

**At this stage please show your interest by just contacting Wendy Neath by text giving your name or leaving a message - details below**

Please note I have no availability to do anything at weekends for some time - plus Saddlesdane is busy and we have been asked once or twice if we could hold some weekday clinics.

We can go up to 8 horses, but 4 will be enough, and I will ride or direct as needed to balance numbers.

**£20 - entry will be on <https://clubentries.com/favershamrc/> when we have a date**
