If you are unsure, please email BRC at brcentries@bhs.org.uk. Due to a brief shortage of flu vaccinations, there is an allowance of 15 months between one vaccination and the next, this must then be followed up by another vaccination 9 months later, so that there are still 2 vaccinations in a 24 month period, this will need to be noted by the veterinary practice to state this was during the vaccination shortage, either noted in the vaccination table in the horse's passport, or via a letter that accompanies the passport.
Members should note that this exemption will be discontinued from 1st of January 2023 and will go back to 1 vaccination in a 12 month time frame. If your vaccination is out of date and the course needs to be restarted, then you must apply for a yellow card from BRC/will be given a yellow card at the qualifier by the official steward. This will enable competitors to continue competing but ensure that they must follow up on the vaccination.
Horses and ponies cannot be vaccinated within the 6 days before competition.
