### **CHANGE IN FDRC PAYMENT PLATFORM FOR FDRC EVENTS**

We will be moving our booking & online payment platform over to My Riding Life very soon. This platform may be familiar to you as it is used by a lot of our local establishments & clubs.

Club Entries was our first online entry platform and has proved easy to run for us as the organisers but increasingly we were finding that members were finding problems particularly when making entries via phone or tablets which a lot of members use rather than a laptop or computer. We have found Club Entries very helpful in sorting any problems or refunds and hope this will be the same with My Riding Life.

Hopefully the change over will be seamless, we will keep members updated via our usual means Facebook, Email & Website.

## **BRC RULE CHANGES for 2023**

The BRC have come up with a few rule changes for 2023

- The **Riding Hat** criteria have changed and the hat tag colour for hats that have been checked for this year is pink. You can check if your hat by complies by going to [2023 Hat Rules](#)
- **Jodhpurs/Breeches** Black & Navy will now be allowed in all BRC competitions.
- **Sensory Hairs** – Find guidance on trimming your horses whiskers [here](#)
- **Whips** -A new British Riding Clubs (BRC) rule on whip use has been introduced to help educate riders and improve horse welfare. BRC's 2023 rules state that the whip must only be used to support the rider's natural aids, and never when a horse or pony has turned away after a refusal, or after elimination
- **Body Protectors** – **This rule will not com into being until 2024** but if you are thinking of buying a new one this year please bear it in mind. From 1st January 2024 all body protectors with a 2009 safety standard will no longer be permitted at British Eventing, British Riding Club and Pony Club events

You can check out the whole BRC Rule Book by going to [The BRC Handbook](#)

## **LOOKING BACK**

### **XMAS DINNER held at Sittingbourne & Milton Regis Golf Club on DECEMBER 14<sup>th</sup> 2022** **Report by Lindsey Bootes**

On Wednesday 14<sup>th</sup> December 25 members, family members and friends enjoyed a Christmas Meal at the Sittingbourne and Milton Regis Golf Club.

It was a chance to meet up and catch up at the end of a busy year for the club. The Golf Club provided us with a good choice of menu to cater for everyone's needs and the bar to keep us refreshed. It was a lovely meal and everyone enjoyed the evening.

Unfortunately, Wendy Neath wasn't able to join us, we all wish her the best in her recovery from her accident and it has been encouraging to see her photos online in recent weeks. See you soon Wendy!

### **SOCIAL NEW YEAR WALK – ROSE COTTAGE, STELLING MINNIS ON JANUARY 8<sup>TH</sup> by Sally King**

10 Members & friends congregated at Rose Cottage on a slightly damp and blustery day along with an assortment of dogs from large to small. We all set out to walk the route that Liz had worked out for us across the Minnis and then following footpaths across farmland & quiet country lanes, then back via Wheelbarrow Town.

There were some sections which were quite windy but most was well sheltered if a little muddy. About a 3<sup>rd</sup> of the way round we had to negotiate a stile and unfortunately we could not squeeze Anne & Bob's two greyhounds through the 'pop' hole and they were too big to lift over to so they had to take a slightly different route with a view to meeting up again a little further on. Two of the Labradors managed a good roll in some fox poo & had to be kept at arm's length for much of the walk!

When we arrived back on the Minnis we were a little concerned that we had not met up with Anne & Bob the stile! We hoped they weren't lost but it turned out that they had gone to ground in the Rose Crown! On our return to Rose Cottage at about 12.45 we all crowded into Liz & Tim's conservatory where Veronica & Wendy joined the throng. They had both sustained injuries before Christmas and could not manage the walk but wanted to see everyone. Veronica bought some homemade damson gin which went down very well and Liz & Tim kept us all topped up with teas, coffees and sausage rolls.

Eventually we all went our separate ways and all felt we had welcomed the new year in style. Sorry no pics.

## MEMBERS ONLY SOCIAL RIDES

### Members Only Social Ride on Jan 29<sup>th</sup> from Limes Farm – Report Liz Roberts

This was a super social ride. Three groups, two fast and one slow. Everyone got home in one piece, no one got lost, beautiful countryside and quiet lanes. Big thank you to Shirley Wilson for allowing us to park at Limes Farm and to Sam Miller for organising the two routes.

A super location which I hope we can plan another ride later in the summer. Chocolate cake, biscuits etc all very much appreciated!

### Members Only Social Ride on Feb 26<sup>th</sup> from The Old Potato Store, Stelling Minnis – Sally King

This was a very well attended ride with 11 riders taking part. The weather turned out to be snow showers & sunny spells with a brisk NW wind – sure that was not forecast. Everyone was well wrapped up and the first group of 4 set off at the allotted time of 10.30 am. Two more groups of 4 & 3 followed at 15 minute intervals.

The route which was nearly 7 miles in total took us over quiet country lanes & bridleways. We started by riding round the edge of the Minnis and then on quiet lanes to Bossingham. Then we took a very long bridleway through woodland with some quite steep slopes both up and down.

There was an optional loop at this stage which was dependant on the level of frost bite you had reached by then!! Only joking – it really was not that cold as the route was quite sheltered a lot of the way round. A lovely ride on a lane alongside a picturesque grassy valley to Wheelbarrow Town and then back to base.

There were quite a few gates on the bridleway but Alison Hargreaves who could not ride that day, very kindly drove the route making sure we did not get lost and that all gates were open as we passed through and closed behind the last group. All this while taking pictures of the riders.

A big thank you to Alison for doing this from all the riders, which involved some quite long walks up & down steep slopes along the bridleway.

On our return to The Potato Store horses were untacked and settled while everyone gathered round Natalie's 4X4 (which doubled as a table) where a veritable feast was laid out. Sandwiches, cold sausages, dips, several cakes to name a few of the delicious items on offer. Time for a good chat before we all dispersed to our varying destinations. Thank you so much for organising it, Liz.

## **HOOFPRIENT CHALLENGE No. 2 Dec 1<sup>st</sup> – Jan 31<sup>st</sup> - REPORT & RESULTS by Veronica Crouch**

After the success of the first Hoofprint Challenge it was decided to run it again over the winter months as it encourages everyone to go out with their hoofy friends and seek out different places to go to get the snaps of the items off the list.

Members paid online to enter and were sent a list of 34 items, 5 of which were individual to them. During the first week of Jan another smaller list of 8 new items was emailed out.

16 Members and 1 non-member uploaded to a folder on Facebook 313 photos and 22 videos of their finds from 1<sup>st</sup> December to midnight on 31<sup>st</sup> Jan 23 .

*Eunice with Bertie & Rooster*

*Alison finds a pylon, a NHW Sign & metal gate!!*

I entered them on excel spreadsheets awarding points for that item and 10 points more for each item grouped together in 2 or more. There were some special items a bit more elusive that had bonus points for finding them first or second. A weekly tally of results kept members aware of their points against others and made it very competitive.

I found various road signs and items that could be found in the countryside and villages and hope I made it challenging but not impossible with a little bit of effort to photo with part or all of their horse in the photo or video. For example;- “ A milestone” , “thatched cottage” and “ Slow Children Playing sign” was only found by a few members.

It was nice to see the feedback on Facebook that everyone had a good time collecting photos and were looking forward to the next one. I have been asked by the committee to run Hoofprint Challenge 3 again and to keep it over the winter months.

A proportion of the entry fee will be sent to Happy Endings Rescue Centre.

### **Results**

1<sup>st</sup> Sally King and Molly 1210

2<sup>nd</sup> Jenny Tanton Brown and Cara 1110

3<sup>rd</sup> Eunice Scott-Smith 1070 walking everywhere with her 2 mini Shetlands Bertie and Rooster

4<sup>th</sup> Stella Bellem and Rambler 1010

5<sup>th</sup> Desti Horton 910

6<sup>th</sup> Sarah Reith and Wynn 830

Specials were sent to Eunice just for persevering with a bad hip and being so cute and Natalie Jenner who entered in last 2 weeks of competition and bombed around to gain 750 points.

*Sally with her 1<sup>st</sup> rosette & FDRC Bobble hat prize*

### **REPORT ON SJ CLINICS with KATY FORD – by Jo Boraston**

I have now attended two of Katy’s jumping clinics with my little cob mare, Melody. I have had her less than two years, having lost my old mare, August, aged nearly 26 in April 2021. As August and I didn’t do much jumping in her last few years, I am experiencing the double whammy of minimal confidence at jumping, having done very little for so long, and starting to jump on a new horse that is completely different to my old mare.

Although Melody likes to jump, we think most of her experience before she came to England from Ireland in early 2021, was out in the field

over cross country jumps, not show jumps. Combine that with a canter that is not very established in a school and we both have some learning to do!

I first went to the November clinic at Bigberry, having bravely signed up for the poles to 50/60cm class. I arrived expecting more poles than jumps, but Katy had other ideas, and after a quick go over trot and canter poles, had us all out there popping small cross poles. Katy was brilliant! She picked up instantly on the different issues we had with a very mixed bunch of horses and ponies. She encouraged us all to push ourselves a bit further than any of us probably expected, and I certainly achieved much more. We all finished jumping round a small course of cross poles and small uprights.

I went back in January for the same group at Bigberry, but with a totally different set of riders and horses. Yet again we were all encouraged with positive comments and really constructive advice, and we all finished the lesson with big smiles, feeling very happy with our achievements.

If anyone is feeling nervous about signing up for one of the upcoming clinics, go for it! Katy is positive, encouraging and provides really useful advice on what to work on with your individual horse. We are nudged just out of our comfort zones, so at the lower levels certainly, we came away happy! Looking at her impressive CV and the comments I hear from the more ambitious riders, she has the same effect on those looking to be more competitive at the bigger heights. Sadly I can't do the February date, but I'm certainly looking forward to the one in March.

### **THE FDRC ANNUAL GENERAL MEETING**

The FDRC AGM was held on Zoom on Tuesday 20<sup>th</sup> Feb with 19 members joining in. We heard how, during 2022 the FDRC had run 54 competitive /training/social events plus some virtual ones – that is more than one a week!! These included Side Saddle Clinics, Horse Agility, Fun In The Sun, TREC POR, 9 Social Rides, Dog Show, 3 Walks (one with a steam train & fish & Chips) to name a few.

The FDRC arranged training with 8 different instructors and have sent teams and/or individuals to Area 10 Qualifiers & Championships in Combined Training, Dressage, DTM & Show Jumping.

Membership take up has been record breaking this year and we have 85 members already this year. The Club again made a slight profit giving us the freedom to keep the membership fees at last years level and subsidise entry fees & training where necessary.

The following contributions to charities were made by the FDRC in 2022:

TREC POR - £ 30.00  
Dog Show - £ 75.00  
Hoofprint Challenge 2 - £100.00

**Awards were given to:**

**Shannon Lunt** – 2022 Senior of the Year Award  
**Steve Reith** – 2022 Helper of the Year Award  
**Matilda Taylor** – 2022 Junior Member of the Year Award  
**Sandy O'Connell** – Special Achievement Award

The AOB section started a lively debate about what we could run this year, new venues for events & rides with some very different ideas suggested such as a Table Top Sale, Quiz Night, Riding to Music, One Day Camp to name only a few. It was lovely to see so much enthusiasm.

The Committee had a new member proposed, Shannon Lunt, who was duly voted onto the Committee, she will bring a new perspective to the table and is very keen on sending teams to some of the bigger shows.

**COMING UP**

## TEAM NEWS.

### BRC AREA 10 NOVICE AND INTERMEDIATE DRESSAGE QUALIFIER

held at Felbridge on 10<sup>th</sup> December 2022 report by Liz Roberts

In October, it always seems like a good idea to go and enter a BRC dressage qualifier being held in December... little did we know that the weather would turn freezing a day or so before.

As this was a joint competition of both Novice and Intermediate Dressage Qualifiers, we took the opportunity to enter teams for both, and as it was a long road trip, it only seemed fair to give every rider the opportunity to ride two tests.

At the end of October we had the following riders committed to being on teams and/or individual

**Novice Qualifier Team 1:** Debbie Harris, Shannon Lunt, Kim Leney, Rachel Brett

**Team 2:** Sandy O'Connell, Alicia Martin, Abi Martin

**Individual Novice Qualifier:** Shannon Lunt, Sandy O'Connell, Abi Martin, Alicia Martin

**Intermediate Qualifier:** Debbie Harris, Kim Leney, Rachel Brett, Liz Roberts

**Individual Intermediate Qualifier:** Wendy Neath, Liz Roberts

We also had Veronica Crouch and Sally King as our dedicated helpers and all the other team riders prepped and prepared to be on a rota to help. The organising Club, Rother Valley, very helpfully gave us roles which could easily switch and swap throughout the day.

Everything was looking dandy... then the first message came through a week or so before, Veronica had been kicked which also involved coming off her horse on to the road, leaving her with a badly damaged ankle, unable to walk to drive. Stay calm... team members all said they would be able to cover it. Wendy Neath then messaged to say that in hindsight, her horse Rocco (who was still in rehab) was not really up to it and Wendy would stand in for Veronica – yea... helper issues resolved.... THEN... the call from Wendy, "I have been bucked off Rocco on to tarmac, I am in A&E, I can't really move..." Lots of get better wishes sent to Wendy and the team back on standby to be on helper rota....

THEN... the bad weather hit... with several riders with very early times and no way to knowing what the roads would be like, riders opted for the safety of their horses to withdraw, but they offered to drive down and be helpers. In the end, Debbie Harris and Sally King travelled down together to do the morning helpers session and Alicia and Abi for the afternoon. We can't thank them enough for the time they spent in the cold as stewards and gate openers!

So, in the end ... on the day... we ended up with one Novice and one Intermediate team and riders going as individuals.

Considering all of the above, we didn't do too badly.

**Novice Team 13<sup>th</sup>** Shannon Lunt, Kim Leney and Rachel Brett

**Intermediate Team 4<sup>th</sup>** Kim Leney, Rachel Brett and Liz Roberts

#### **Individual Tests**

**Medium 2<sup>nd</sup>** - Liz Roberts

**Novice 4<sup>th</sup>** - Kim Leney

**Novice 10<sup>th</sup>** - Rachel Brett

*Liz & Simps at Dressage Qualifier*

The issue of the cost of entering BRC qualifiers and the continuing reduction of income to the club means that the Committee will be reworking how we enter and what to do if riders have to withdraw. We hope that the changes we will have to implement will not discourage riders from entering. **See below**

### **FDRC RULES & REGS FOR QUALIFYING COMPETITIONS ENTRY FEES 2023**

For the past few years, we have asked members to make a small payment (£10) towards the cost of the BRC competition entry fees and towards the costs incurred by helpers (when we enter a team or more than two individuals, we have to send a number of helpers to the event and we feel that it is right to offer them some payment towards mileage). Currently, FDRC is one of a handful of clubs that does not expect members to pay the entry fee for a BRC competition. There are two fees which have to be paid to enter a BRC competition; a Preliminary Fee which goes to BRC Head Office and then the Entry Fee which goes to the club organising the event.

As entry fees rise and club income reduces (due to competition from other events in the area, we now no longer run an Annual Open Show which would be our main income revenue for the year), we are now in a position that we can no longer cover the entire entry fee. However, we would like to continue to heavily subsidise the entry fee and encourage our members to take part in BRC competitions.

Therefore, the following fees will apply to members wishing to take part in a qualifier, both individual and/or teams and per class entered. If a member is then successful in getting through to the National Championships, the club will pay all of the entry fee and part or all of any overnight stabling fees.

If a member is unable to attend the competition, they have agreed to take part in, then we will have to ask for the outstanding part of the entry fee to be paid. If a BRC event is cancelled, all paid fees will be returned to the member or held over until the event is re-scheduled.

Show Jumping classes - £15/class  
Combined Training/Arena Eventing etc - £20/class

Dressage classes - £15/class  
Eventing - £40/class

Once a member has asked to take part in a BRC qualifier, the Team Manager will ask for the necessary payment to be made via club entries. If this payment is not received prior to the closing date of the Preliminary Entry Fee date, you will not be able to take part in the competition. The Team Manager will also email you a form to complete (information which is required for the BRC entry forms) and to sign the declaration that you agree to the above in regards to fees).

### **HELPERS**

We have to provide a helper for every team, or two individuals entered. Failure to do so could mean the riders not being allowed to take part. A possible reason for members not putting their name forward as a helper is that they do not know exactly what the jobs they may be asked to do involve. So to that end we have put together a sheet which outlines briefly what you might be expected to do.

Click here for the [HELPERS JOB DESCRIPTION SHEET](#) or [HELPERS EXPENSES CLAIM FORM](#)

### **SUPPORTERS**

Teams are always happy to have Club supporters at a show - so feel free to come along and cheer on your team or do it while being a helper.

So in conclusion, we would love you to compete in a team and have an active policy in this club of giving everyone who would like to be in a team a chance to represent the Club and not keep it to the elite few. But we do need you to make sure before you say you will do a particular team competition that you are free on that day, have transport, an up-to-date passport & and can keep the date clear.

### **TEAM EVENTS COMING UP**

**Note:** To represent the FDRC in a team or as an individual club you need to be a fully paid-up member of the Club. We will highlight these competitions as we go through the year asking for riders & helpers by email, Facebook and Website. Please keep a look out and let team managers know if you are interested in being in a specific team as & when they are put forward.
