

Hoof Print Challenge No 2

1st December 2022 to 31st January 2023.

After the success of last year's competition that so many of you enjoyed during the boring winter months we have decided to run it again for some fun.

The entry fee is £16.00 for FDRC Members & £20.00 for Non-Members. Entries to be made via [Club Entries](#)
A donation from the proceeds to go to [Happy Endings Rescue Centre](#) .

The photographs and videos have to be taken between the competition dates (no old photos) and must include your horse (or be very obvious you are on your horse). Horses/ponies can be ridden or in-hand to get the photographs/videos.

You will be emailed a list of the challenges to photograph/video which capture all or some of your horse/pony.

Only genuine items from the list will be accepted not models or drawn pictures.

These can be found around the countryside/villages out hacking or walking in hand.

Photos/videos are to be added to the photo folder in the FDRC Riding Club Facebook page and must include your name and the name of the horse in the photo. If you are not on Facebook, then please WhatsApp photographs to Veronica Crouch 07415 068942 (along with your name/horses name) and I will upload them for you.

You can earn extra points as follows :-

High Fives - several items have a 'First to Find' bonus, giving 5 extra points to whoever submits the photo of it first.

Magic Star - several items have a star against them. The second person who submits that item will get an extra 5 points.

Half way hit list - Around half way through the event – I will release a list of some extra items to find.

😊 **Comedy Points** – at my discretion, extra points may be given for comedy value.

e.g rose bush with hips next to a metal field gate = 40 points

2 = 20 extra points in addition to the points for each individual item

3= 30 extra points

4 = 40 extra points and so on

Once you have submitted a photo the same item/s cannot be used again in another group.

So the hunt is on . 😊 You will also receive a list of 5 extra items which are individual to you. This will follow shortly after you have entered.
