\*Only relevant for half day helpers. There is no guarantee that the preferred time will be given, but will be accommodated where possible.

**Each club must provide one helper per team entered, as well as one helper per two individuals entered, for the day of the competition. More than one person may be used to cover a helper's slot. This is down to the club to arrange, NOT the organiser. E.g. Each helper is required for an allotted time during the day, so a club may provide up to 2 people to cover this period. However this is still counted as 1 helper.**

**Club Helpers:** It shall be a condition of entry that all Clubs entering supply the names, email address, telephone numbers and relevant experience of the required numbers of helpers who would be willing to help the organising team, for example jump judging, tack checking, stewarding, flu vaccination checks, tea runs etc. These volunteers must be told in advance by their clubs that they will be expected to help during the day and will be informed of their duties and time slot by the event organiser, in the week prior to the competition. This form must be enclosed with the Area Entry. If Club volunteers do not fulfil their duties that Club's riders will be eliminated and not be allowed to continue in the competition.
